

AXIS INSTITUTE OF PHARMACY

ORGANIZES

International Conference on Advanced Research: **AI-Powered Revolution in Pharmaceutical & Biological Sciences**

AWARDS@ICAR-APRPB:2026

The International Conference on Advanced Research: AI-Powered Revolution in Pharmaceutical & Biological Sciences (ICAR-APRPB:2026) organised by Axis Institute of Pharmacy in collaboration with Society of Pharmaceutical Sciences and Research (SPSR) is committed to recognizing and honoring excellence, innovation, and distinguished contributions in the fields of pharmacy and biological sciences. The conference awards are instituted to acknowledge individuals whose scholarly work, research achievements, and professional dedication have significantly advanced scientific knowledge and global health outcomes. These awards serve to promote high standards of research, encourage academic and professional excellence, and foster international collaboration among researchers, academicians, industry experts, and students.

In collaboration with
